Dear Parents,

We realize it can be difficult to keep track of fees and payments to the school district. To help simplify payment of school fees, **Conrad Weiser Area School District** has enrolled in an internet-based service called **ParentOnline**. This service is a website where you can pay for **School Breakfast and Lunch** using your **Visa or MasterCard**. Participation in this service is voluntary; you may enroll at any time.

Parentonline enables parents to keep track of their child's account balance. In addition, the website offers Automatic Replenish. This is optimal for the student whose lunch spending varies greatly from day to day. With automatic replenish, when the student's account balance goes below a specified amount, another specified amount is then deposited into the student's account via credit card. Using "automatic replenish on low balance", the student will never run out of money. Conversely, your credit card will not be charged until the student's balance goes below the specified dollar amount.

To get started, you will first enroll at www.parentonline.net. You will be asked to enter your email address/user name and a password, which will be used each time you log in. Please note that a valid email address is required and that ParentOnline stores any necessary personal information in a secure, offline database which is accessed only to process payments and send payment confirmations via email.

This service is voluntary for all parents. ParentOnline does charge a convenience fee for transactions. The convenience fee information is displayed on each payment page.

Please visit www.parentonline.net for more information. If you have questions that are not answered on the website, we encourage you to use the "Contact" link for ParentOnline or call the school district office. We hope you find this service a convenient alternative.

Sincerely,

Robin L. Robertson, Director of Business
