Dear Parent/Guardian:

Beginning with the 2014-15 school year, Conrad Weiser West Elementary Schools will be following a new procedure regarding cough drops.

Cough drops from home should not be sent to school with students. If a child has a persistent cough, he/she will be sent to the school nurse for evaluation.

Research shows that cough drops are not effective and may cause children to choke. With the health and safety of your child as our main priority, we request your cooperation with this new procedure.

If you have any questions or concerns, please the school nurse. Thank you for your understanding in this matter.

Sincerely,

Beverly Yoder, School Nurse
Conrad Weiser West Elementary School
